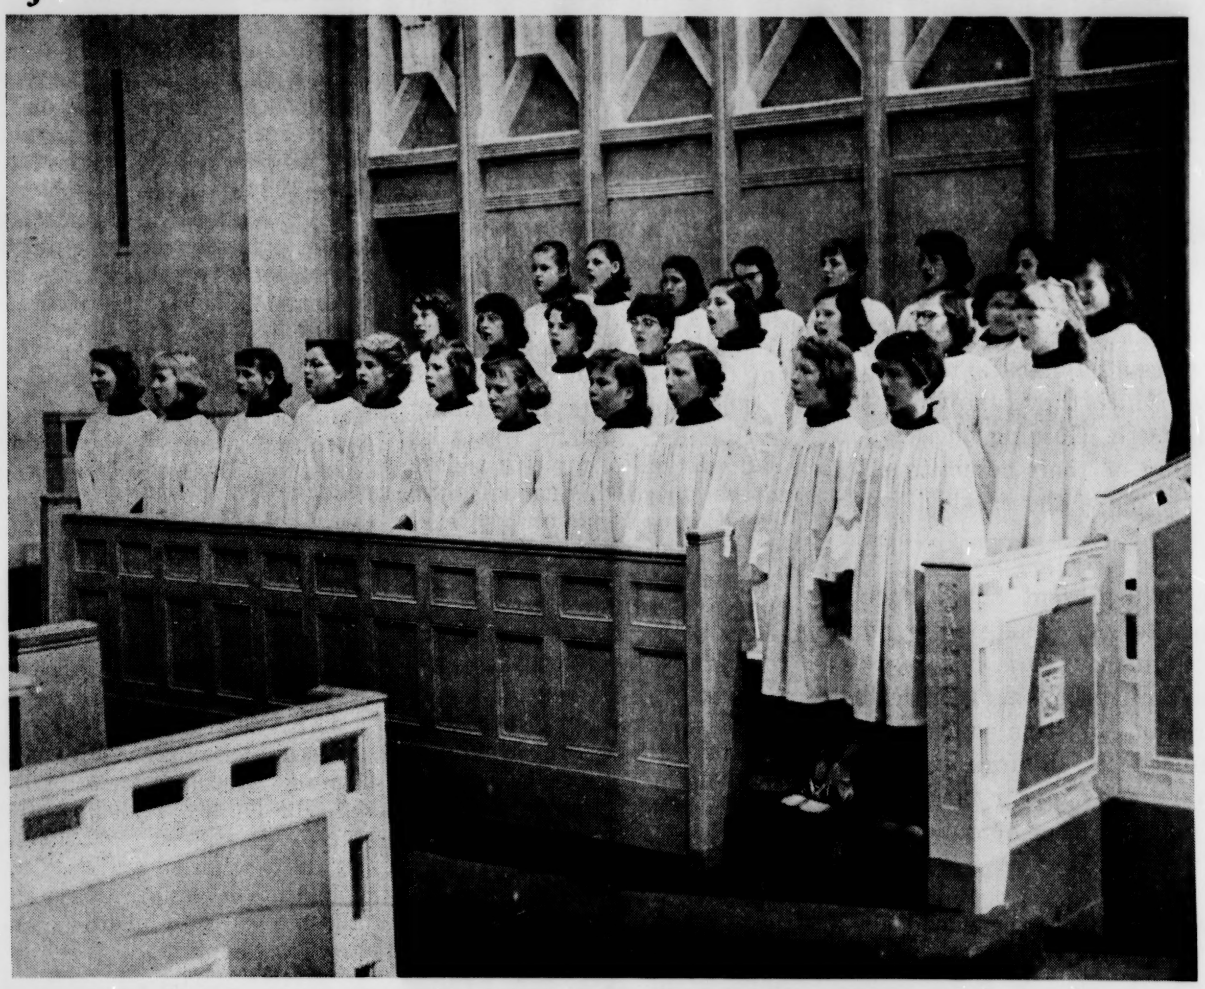
JUNIOR CHOIR REHEARSES FOR CHURCH SERVICES



THE GREATEST NEED

Child Care has been the concern of the Church for generations and has now become the great concern of the State, also. Both the Church and the State recognize that the greatest need in the field of Child Caring is for capable leadership. Every agency and institution is seeking additional personnel who can render good service. Conferences, Work-shops and In-service Training Programs, designed to assist leaders in the doing of a better job, are the common practices in every institution. Additional personnel and replacement are hard to find. It is the common inquiry of every superintendent, "Do you know where I can get a good housemother?" Barium needs persons who by nature and training can render effective service. The loyalty and devotion of those who have served for long years challenges the newcomer to make a real investment in the work of the Church by serving the boys and girls of the Home. If you are a qualified person or know of anyone, you are invited to make inquiry about the work.

PLAYERS HONORED AT BANQUET

By JERRY JOSEY

BARIUM SPRINGS.—Peggie Sellers and Walter "Dub" Plyler, sparkplugs of the girls and boys basketball teams here were named recipients of the "Most Valuable Player" awards here last night.

The selections of the two outstanding basketball players to receive the annual awards highlighted a banquet honoring the Presbyterians' cage squads during the past season.

Some 150-175 in attendance heard Coach Archie Calhoun announce the winners, selected by a vote of their teammates, Guard Nancy Kyles and Guard Lawton Rice were named permanent captains of their respective teams also.

Following a T-Bone steak dinner in the school's dining hall, Rev. Robert Collins, pastor of Little Joe's Presbyterian Church, presided over the program. Rev. Mr. Collins said three things were outstanding about the past basketball season to him and listed them in order: good entertainment, good sportsmanship and a spirit of teamwork. "We were very successful this year because we played together as a team," he said in commenting on the seasonal activities.

Coach Archie Calhoun, who handled the basketball teams at Barium, made the presentation of letters and awards. Calhoun, commenting on the season, quoted two officials who worked a game at Barium. "If the crowds where we went were all like this," the officials were quoted as saying after a game at Barium, "it would certainly be a pleasure to be an official in basketball."

Calhoun, in comments concerning a good crop of future athletes contained on the junior teams said for the first time in some years, competition will be available for the varsity squads next season and he predicted a "championship team in around three years" when he announced the girls junior team, which posted a 3-5 record.

The junior boys team, Calhoun noted, was predominantly eighth-grade students. They also had a 3-5 record.

Calhoun said the varsity girls showed a "distinct improvement over last year. All the girls out for basketball were on the squad. We just had 14 of them." He recalled the last championship team at Barium in girls basketball had 12 good girls in one class on the team. Calhoun had four senior girls on the squad and added that the "rest of them will be fighting the ninth grade next year."

The varsity boys, Calhoun commented, did "what they

COTTAGE NEWS

Howard Cottage

Hi Folks,

Here we are back again. Last Thursday was Nancy Finley's birthday, so we gave her a party. She really was surprised and received lots of nice gifts.

April is just around the corner. It is really filled with excitement for us. We will have our basketball banquet on April 2nd. Then we will be having our Voice Recital sometime in April. Also, we have four April birthdays coming up: these will be for Mary Della Hyde, Brenda Shepherd, Beverly Hyde, and Jeanette Grier. Of course, the most important date of all in April this year is Easter Day.

See you next month.

"The Bean Stringers"

Lees Cottage

Hi There—

Here are the Lees boys to bring you up to date with the news. We were sorry to lose Phil Perdew and his little brother, Danny.

Three of the boys at Lees have joined the Communicants' Class. All the big boys are working at the dairy now. This month three of our boys have birthdays; they are Bill Rannells, and Donald and David Blalock (our twins).

We are warming up in softball and hope to play Miss Ford's Cottage. We are glad to report that a goodly number of the boys in our cottage made the Honor Roll again. This year has gone by fast and it will not be long before we go on vacation.

See you next month.

The Boys at Lees

Two New Buildings Now In Progress

The two new cottages being erected on the campus are now beginning to take shape. The heavy rain of the winter and spring months have delayed the contractor, but he hopes to complete these buildings according to schedule. The brick walls will be of Colonial Pastel brick of the same kind used in the other two new cottages.

All of the Barium family eagerly watches the brick laid, the steel put in place, and the concrete poured, anticipating the completion of the buildings and their occupancy this fall. These new one-story, fireproof buildings will be the pattern for the campus when any building is replaced, thus conforming to the present-day concept of home-like living quarters for the boys and girls who reside at Barium.

UNDER THE STEEPLE - Nuggets of News

FROM LITTLE JOE'S CHURCH

REV. ROBERT R. COLLINS, *Minister*

As Christian people we worship on Sunday because this is the day on which Christ was raised from the dead. In a very real sense we are celebrating God's victory over sin and death each Sabbath day. Easter Sunday then is the day which marks the beginning of our Christian worship on the first day of the week. It carries a special significance because on that first Easter God completed in Christ the work of redemption which had been started with the birth of our Lord that first Christmas.

As this issue of the MESSENGER comes to you we will have just celebrated the joys of another Easter. Under the Steeple we expect to receive fourteen boys and girls into full membership of the church on Palm Sunday. As I write this they are taking part in a communicants' class studying the meaning of church membership and the vows which they take when they make their public profession of faith. Guiding these young people into a deeper understanding of their commitment to Christ as their Lord and Saviour is one of the greatest joys in my ministry here.

On Easter Sunday our choirs will present "The Crucifixion" by Stainer in a special vesper service. This will be under the direction of Miss Charlotte Calhoun who is organist and choir director for our church. The choir program of Little Joe's Church is one of its finest features in Christian education and public worship. Approximately ninety-five children participate in one of our four choirs and throughout the year these groups contribute much to the beauty and meaning of our worship services.

Even as Spring brings newness of life to the world about us, so it seems that there is an up-surge of activities and interest all across our campus and in the church. Soon graduation will be upon us and plans are already being made for Bible School and summer camps. In all of these events we seek to make the awareness of our living Lord more real and to know the power of His resurrection in our lives each day. We know that our lives are made complete because of His love for each of us, and we are thankful. The alleluias of Easter shall remain in our hearts and be raised up each time we come together Under the Steeple.

Staff Notes

A former student has requested that news of the staff be a part of the Barium Messenger, so since there is big news on the campus, some of the items of interest will be given.

Mr. Archie Calhoun is receiving congratulations from his associates on the excellent season which his boys had in basketball. With less than 60 students in High School, he has competed against those larger schools, ranging from 400 to 1100, and went into the finals in the tournament, losing to the Boys of Kannapolis.

The many years of teaching at Barium Springs for Miss Sadie Brandon come to a close at the end of this school year. The diamond ring on her finger and the announcement of her wedding to take place in the early summer is the reason for her leaving Barium Springs.

Mr. J. F. Stinson, for about thirty years a part of the campus life at Barium Springs, has bought a place two miles up the Old Mountain Road and now is living there. He continues as the farm manager, driving back and forth to his work.

The newest addition to the Barium family is Mr. Frank Nance who is assisting Mr. Stinson and is responsible for raising all the vegetables the Home needs to eat and to can. Mr. Nance, from Mount Mourne, N. C., is a Presbyterian with a wife and two children. He hopes to move to Barium Springs as soon as living quarters can be provided.

Cupid is having a field day on the campus. Miss Helen Bell is wearing a diamond and announces wedding plans for the Fall.

Mr. S. A. Grier, having spent the Winter in Florida, has returned to the campus.

Mr. and Mrs. J. H. Lowrance, having retired in '54, are still active in the life of the Church and community.

Sickness serious enough to cause hospitalization or to require surgery has taken its toll. Within the last few months Mr. Arthur Hanks, Mrs. J. H. Lowrance, Mrs. Janie Thaggard, Mrs. Ruth Watson, and Mrs. I. B. White have been patients in the hospital. All these are back in their regular places and hope their sickness is over for awhile.

Miss Kate Taylor will be leaving Barium Springs on April 25th to sail from New York for her home in Scotland. She plans to return in the late Summer.

Mrs. Bondurant visited the campus recently. She will be remembered as Mrs. Mary Turner Ritchie. Her wedding was last December and she now lives in Virginia.

did by sheer effort." Barium's boys never lost to a team twice over the season and beat the conference champions (Asheville) two of these games. "The boys did more with what they had than any team I have ever coached," Calhoun added. Only two starters were back with the Tornadoes who posted a 12-4 conference and an overall 15-6 record for the best season in boys basketball since 1951.

Following the presentation of awards, several members of the varsity teams gave an informal musical program accompanied by Miss Charlotte Calhoun at the piano. Charles Ward rendered a solo, "Walk Hand In Hand," followed by a duet "Get Along Without You Now" by Deanna Kiser and Bernice Kuykendall. A rendition of "Cool Water" by LeNair Burns, Walter Plyler, Charles Ward, Mac McClure and Lawton Rice concluded the program.

Receiving recognition on the basketball squads were:

VARSITY GIRLS — Judy Bolton, Barbara Johnson, Deanna Kiser, Bernice Kuykendall, Nancy Kyles, Addie McEwen, Shelby McEwen, Peggie Sellers and Janet Woodall. Johnson, Kuykendall, Kyles and Addie McEwen are seniors.

JUNIOR GIRLS—Victoria Brafford, Faye Hicks, Virginia Kiser, Marcia Lewis, Elva Medlin, Betty Lou Mitchell, Carol Moore, Sue Moore, Eleanor Rutledge, Brenda Shepherd, Helen Spencer and Jackie Taylor.

VARSITY BOYS — Jim Bunnell, LeNair Burns, Donald Frazier, Ronnie Hudgins, Walter Plyler, Lawton Rice, Randy Shaw and Charles Ward. Burns, Hudgins, Plyler and Rice are seniors.

JUNIOR BOYS — Douglas Byrd, Buddy Cochrane, Earl Corbitt, Henry Harris, James Kiser, Lacy Lentz, Robert McLaurin, Dickie McKenzie, Bobby Ramsey and Richard Ward.
